FROM THE PRINCIPAL'S DESK

Dear Families,

It continues to be a busy term for us at Creswick Primary School. Our students showed amazing Resilience and Personal Best on the Jogathon day. I was blown away by the number of laps students achieved from our Preps to our Year 6s.

It was also amazing to see our families and friends who supported the students on the day. There were also past students in attendance who come back every year for the event! Thank you to our Parents and Friends for running the drink station and to our staff for their organisation and running of the event. It was a team effort.

Parent Survey

Thank you to the families who have filled out the Parent Survey. The survey is still open. Please take a few minutes to contribute your thoughts to the survey if you haven't already. We appreciate your thoughts. [The link is here.](#)

Crossing Safety

It is important for all families to be aware of the need to be safe around school crossings. Jan from our Napier Street crossing has asked that we all remember to stay behind the yellow line until the whistle is blown.

2024 Prep Students

This Friday, we welcome our 2024 Prep students for the first transition session. The Preps will spend time with Ms Strong while the parents come to our Information Session in the library. We are looking forward to seeing our newest Creswick Primary School students.

Swimming Program

Our Prep-2 students have completed their swimming program. The students represented Creswick Primary School with pride. This week, our 3-6 students begin their program.

Thank you, and have a nice week.

Helen
