Prep Booklist – 2024

Dear Parents and Carers,

Please find attached your child's 2024 booklist. This means parents are responsible for sourcing the items on this booklist.

It is imperative in supporting your child's learning that they have access to all of the listed items. You will notice that there are some items where a particular brand is listed, and we would encourage you to attempt purchasing the recommended brands.

Please label all books and the headphones with your child's name. It is not necessary to label other stationery items, such as pencils, textas, glue sticks etc., as in Prep these items are pooled and shared for easy access. Prep students do not require a pencil case.

Please send all supplies to school with all items on the first day – **Tuesday 30th January 2024**. Supplies that are extra for the year will be safely stored by the class teacher.

Please see the attached Parent Payments document regarding curriculum contributions and other known learning costs for the year.

If you have any questions regarding booklists or the learning costs for 2024, please contact the office.

Kind regards
