## **Grade Six Booklist – 2024**

---

Dear Parents and Carers,

Please find attached your child's 2024 booklist. This means parents are responsible for sourcing the items on this booklist. This will allow you to sort through your child's 2023 supplies to see what items can be reused or what spare items you can use.

It is imperative in supporting your child's learning that they have access to all of the listed items. You will notice that there are some items where a particular brand is listed, and we would encourage you to attempt purchasing the recommended brands.

Please label your child's supplies and send them to school with all items on the first day – **30th January**. Supplies that are extra for the year will be safely stored by the class teacher.

Please see the attached Parent Payments document regarding curriculum contributions and other known learning costs for the year.

If you have any questions regarding booklists or the learning costs for 2024 please contact the office either in person or on 03 5345 2044.

Regards,

Creswick Primary School
